Subj: Emergency Adjournment for Car Accident on February 21<sup>st</sup> 2007

Date: February 22, 2007

To: United States Bankruptcy Court  
Eastern District of New York

Docket No. 1-07-400026-cec.

Dear Hon. Judge,

Please be advised that I am aware of the court hearing scheduled for today and I was unable to attend the hearing because I was in a car accident that injured by lower back and neck areas. I was at the car rental company today, the insurance company and then the hospital.

I would like to request for an emergency medical extension until March 18<sup>th</sup> 2007 to which I will be able to attend the hearing.

Respectfully Submitted
